## CONFIDENTI

ENGELANDUM FOR:

Chief, Supply Division Office of Logistics

ATTENTION

Acting Chief, SP and PS,

Office of Legistics

SUBJECT

1

1. This Office has reviewed the draft of the proposed handbook and concurs subject to the following comments pertaining thereto:

25X1

a. Chapter 3.

That the following paragraph be included as paragraph 8.

"The total monetary value of the opening inventory vill be recorded on the Master Document Register under the column headed 'Accountability Dollar Amount - Increase'. This total vill, of course, agree with the total of the 'Total Value' columns of the Materiel Cards which reflect the establishment of the opening inventory values on the Materiel Cards."

b. Chapter 4, paragraph 2.

Add the following sub-paragraphs:

- d. The first entry in the "Increase" column on the Master Request Register will be the total dollar value of all mem-expendable material for which mecountability is maintained, as supported by individual Material Cards.
- e. As each sheet of the Master Document Register is completely falled the columns headed "Accountability Bollar Amount Increase, Decrease" will be totaled and the net balance carried ferward to the new sheet.
- f. The cumulative total on the Master Document Register will be reconciled sumrtarly with the grand total of the total value reflected on the Materiel Cards.

Approved For Release 3 CIA-RD 1-00654000 PO ACCOUNT A

25

## CONFIDENTIAL

c. Chapter 5, paragraph 2.

for the word "urgency".

d. Chapter S, paragraph 2d.

Insert as sentence 8 the following sentence:

"On the accounting copy of each invoice or receipt identification will be made opposite each item purchased as to whather or not much item is expendable or non-expendable material."

- e. Chapter 6.
- (1) Under the section beaded "Materiel Units" it is suggested that the breakdown of materiel unit (5) be eliminated and shown as "(5) Electrical, Electronic and Photographic".
- (8) The list of types and categories of non-expendable items contained in each "Materiel Fnit" appears to reflect items which are expendable such as "amounition and explosives, guided missiles, effice supplies, books, maps, cleaning supplies, etc." It is suggested that the listing be reviewed and all items which are expendable be eliminated therefrom.
- f. Chapter 9, paragraph 1.

Add the following to the first sentence, "based on an All-Purpose Form to be prepared when the lose, shortage or destruction is first discovered".

g. Chapter 10, paragraph 3.

The Certificate of Disposition or Destruction should be signed by the "Accountable Officer" and set by the "Accountable or Other Certifying Officer".

h. Chapter 11, paragraph 1.

In line 4 delete the word "host" and insert the words
"of the cover erganization of the Station effecting the transfer" after the term "shipping documents".

1. Chapter 13, paragraph 4.

Belete the second sentence and sub-paragraph a and substitute therefor the following:

Approved For Release 2002/07/12: CA PDP79-20065A000206040016-0 AL

## CONFIDENTIAL

"The process of re-averaging price upon each receipt of additional quantities of the same item is relatively simple and will be accomplished after posting each receipt of property by dividing the total dollar value of property on hand by the total quantity".

j. Chapter 14, paragraph 1.

25X1

Add the following mentence:

25X1

k. Chapter 14, paragraph 2.

Add the following sentence after the "Manuple":

"The Grand Total reflected on Amusal Bellar Value Report should be in conformance with the accumulated balance reflected on the Master Document Register".

1. The word "nomenglature" appears in the following chapters:

Chapter 4, paragraph & Chapter 5, paragraph 2c Chapter 11, paragraph 3.

Since the word has been declared obsolete for purposes of this handbook it should be deleted and the word "description" substituted therefor.

m. Figure 1.

This figure should reflect the recerding of the opening inventory under the column headed "Assountability Bellar Amount - Increase".

n. Figure 3.

25X1

This figure should reflect the date, quantity, unit cost and amount of the opening inventory under the Receipt section of the Materiel Card as well as under the Balance on Hand section.

o. Figure 3.

The All Purpose Form should provide a "Receipt box" in Section I of the form. Also in the explanation of the use

## CONFIDENTIAL
